Dear Councillor Brown and Mr. Fisher

Request for extension to consultations on Macclesfield & Poynton Town Strategies

Prestbury Parish Council do not believe sufficient time has been allocated for consultation on the Draft Town Strategies that Cheshire East Council published on its website towards the end of last month. It takes time to make residents aware of such things and then allow them an adequate period to absorb what is being proposed and to respond if they wish to do so and we are endeavouring to garner opinion and produce our own submission.

We noted that the consultation period for the Draft Wilmslow Town Strategy was extended to two months from one. We would like to request that the Macclesfield and Poynton Town Strategy consultations are extended by two weeks. This seems only fair.

Thank you.

Yours sincerely,

ARTHUR DICKEN
Chairman
