Decision notices approved:

Applications withdrawn:

Applications under appeal:

Any other business:

A discussion was conducted with regard to the stables development at the end of Bridge Green, as a number of residents had commented on the relocation of the path and the area covered by the development. Cllr Leather commented that she had been in discussion with the operatives on site and they informed her that the new path was in the original location. Cllr Leather undertook to check with Cheshire East whether this was the case and also to ask them to undertake a check on site that the development was in accordance with the approved plans
